

2017 Broodmare Compatibility Notes

ARLINGTON

Arlington is a son of world class sire, Red Ransom. In addition to creating some dynamic patterns with Arlington's full pedigree, we can also take some tips from the broodmare sire lines that Red Ransom has worked well with. Names in bold (below) are individuals to seek in mares' pedigrees.

Overall, Red Ransom and his sire-sons have had great success with Northern Dancer line mares. High achievers have been **NIJINSKY II** and his 3/4 brother **THE MINSTREL**. His local Group 1 winner ALL AMERICAN is out of a mare from the Nijinsky II line. Mares by **ROYAL ACADEMY, YEATS, WHISKEY ROAD, SERHEED, CAERLEON, WESTERN SYMPHONY, PALACE MUSIC, MASTERCLASS, PETERHOF** and **NATURALISM** will provide these individuals.

Nijinsky II (mentioned above) in Success Express' pedigree, is from the TORPENHOW family. This is also the family of **REDOUTE'S CHOICE, EL GRAN SENOR, GIELGUD, XAAR, MASTERCLASS, THE MINSTREL, TRY MY BEST** (sire of **LAST TYCOON**), **HURRICANE SKY** and **UMATILLA**. Red Ransom's Group 1 winners TYPHOON TRACY and ONEMORENOMORE are out of daughters of **LAST TYCOON**. **REDOUTE'S CHOICE** mares also carry Nijinsky II through a daughter, sex balancing the son (Dancing Champ) in Arlington.

Arlington is out of a *daughter* of Success Express. Using mares by (or carrying) **sons of SUCCESS EXPRESS** will create a desirable, sex balanced speed pattern. Mares by **MOSSMAN, AL AKBAR** and **KEY BUSINESS** create this pattern.

There is a well known nick between US ancestors Bold Ruler, Prince John, War Admiral And Eight Thirty. Arlington carries two of these, Prince John and Eight Thirty, via Success Express while he also has two lines to War Admiral further back on his 8th remove. Mares carrying **BOLD RULER** and more **WAR ADMIRAL** would be desirable. They are present in such broodmare sires as **SALIERI** (damsire of **MAGIC ALBERT**) who is particularly desirable as he offers Bold Ruler and also sex balances Speak John and Damascus for Arlington. **ROCK OF GIBRALTAR, ROYAL ACADEMY, DEHERE, BITE THE BULLET** and **RANCHER** mares also carry Bold Ruler. **HUSSONET** is out of a **RAJA BABA** (by Bold Ruler) mare – he is also a half brother to Red Ransom's Group 1 winning son, EKRAAR.

Red Ransom traces on tail female line to DEMOCRATIE. This is also the family of **SHOWDOWN**, who can be sourced through **ZEDITAVE** (and his sons **STRATEGIC** and **MAGIC ALBERT**).

Mares by **BLETCHINGLY** and his sons such as **CANNY LAD**, **BEST WESTERN**, **COSSACK WARRIOR** and **KENNY'S BEST PAL** will create the same cross as Red Ransom's Group One winner **CHARGE FORWARD**.

Noholme II and Todman in Arlington's dam's pedigree would no doubt be keen to meet up with their full brother **SHIFNAL** in mares' pedigrees.

Arlington is a half brother to top class racehorse and sire, **SAVABEEL**. Crossing Arlington over mares by Savabeel's sire **ZABEEL** will result in similarly bred offspring. Other descendants of Zabeel whose daughters and granddaughters may suit Arlington include **OCTAGONAL**, **RESET**, **LONHRO**, **DON EDUARDO** and **DENMAN**.

Red Ransom's triple Group 1 winner **ELECTROCUTIONIST** is out of an **ARAZI** mare. Arazi is a son of **BLUSHING GROOM**, who is also available via **QUEST FOR FAME**, **SPECTRUM**, **REDDING**, **NOVERRE**, **NASSIPOUR** and **FANTASTIC LIGHT** mares.

With only one line to Northern Dancer on his sixth remove to represent the prolific **ALMAHMOUD** family, Arlington should fit very well with mares carrying other descendants such as **DANEHILL**, **HALO** (sire of **FUJI KISEKI**, **SUNDAY SILENCE** and grandsire of **MORE THAN READY**), **ORPEN**, **WAY OF LIGHT**, **MACHIAVELLIAN** (sire of **MEDAGLIA D'ORO**, **STREET CRY**, **VETTORI** and **NO EXCUSE NEEDED**), **EXIT TO NOWHERE**, **CANNONADE**, **CATRAIL**, **EL MOXIE**, **YOUTHFUL LEGS**, **L'EMIGRANT** and **ARCTIC TERN**. Red Ransom's dual Group 1 winner **RUMYA** is out of a **FUJI KISEKI** mare who is out of a **DANEHILL** mare, while his Group 1 winner **RED DAZZLER** is out of a **DANEHILL** mare.
